

# How You Can Make a Donation to Unlisted Workers at [www.cmacan.org/give](http://www.cmacan.org/give)

## **Step 1: Go to our “Unlisted Workers” donation page found under International Workers at [www.cmacan.org/give](http://www.cmacan.org/give)**

Because some of our workers are in closed countries, we are unable to publish their names. For that reason we have set up a donation page called “Unlisted Workers” where you can type in their name(s) and which of their funds you would like to donate to.

## **Step 2: Choose one of our secure donations**

### **1. Personal Gift donation**

- this is a non-taxable gift; a tax receipt will not be issued

### **2. Make a donation – either one-time or monthly**

- this is a tax receiptable gift; a tax receipt will be emailed to you \*

*\* Note: Monthly donation plans are credited from your card on the 15<sup>th</sup> of each month and a tax receipt is sent in January of the following year.*

## **Step 3: Fill out your information**

### **1. Your Contact Information**

- please ensure the address you use is the same one connected to your credit card

### **2. Designate Your Gift**

- type in the name of the worker and indicate which of their funds it is for their (support, work, outfit, or project).

### **3. Your Payment Information**

- select a one-time or monthly donation

- after you have entered the above information you will need to confirm your donation through word verification. This provides another level of security against fraud
